# UNITED STATES BANKRUPTCY COURT DISTRICT OF HAWAII

.,	Case No.: 23-00778 Chapter 13
	Plan - Docket No.: 2

### **ORDER CONFIRMING CHAPTER 13 PLAN**

The court finds that the requirements of 11 U.S.C. § 1325 have been satisfied and the attached plan is CONFIRMED.

#### 1. <u>Additional Plan Provisions</u>

Any provisions stated in the paragraph below modify or supplement the attached plan and control in the event of any inconsistencies.

- All allowed unsecured nonpriority claims shall be paid a 100% dividend. Any unsecured claims filed by Barclays and Bank of America for which Debtors are jointly liable shall be classified as Class 9 and paid in full with no interest. Debtors shall file a modified plan within 60 days of the passage of the governmental bar date to increase payments if necessary.

## 2. <u>Attorney Compensation</u>

The court allows and awards compensation and reimbursement of expenses to the debtor's attorney as follows.

Name of attorney: BLAKE GOODMAN, PC

Total award: \$5,400.00

Amount to be paid through plan: \$3,410.00

☐ If checked, amount includes \$300 under Part 1.a of the Appendix to Chapter 13 Fee Guidelines. ☐ If checked, amount includes \$400 if agreed to in a Chapter 13 Rights, Responsibilities and Fee Agreement filed on and after July 1, 2022.

3.	<b>Determination of Secured</b>	Claim(s)	Under 11	USC 8 506.
<b>o</b> .	Determination of occurre	i Olaliii(3,	, Oliaci i i	0.0.0.3000.

☐ Attachment A: Addendum to Section 4.5 of Plan

#### ☐ Motion to Determine Amount of Governmental Unit's Secured Claim

The court finds that the plan and pleadings checked above were properly served on the creditor(s) whose claim(s) were listed as being modified, and that the identified claim(s) shall be treated as secured as stated in the pertinent pleading. The interest rate applicable to such secured claim(s) shall be the rate specified in the Attachment A or Motion, or if not so specified, the standard interest rate described in § 11.3 of the plan. Notwithstanding any statement in a proof of claim or the debtor's schedules, and regardless of whether anyone has objected to any such claim, the request to determine the amount of the secured claim(s) in Attachment A and any Motion is granted. If the total amount of a creditor's allowed claim exceeds the secured amount to be treated as secured, the difference will be treated as an unsecured claim under the plan. This valuation and determination of secured claim amount(s) concerns only the obligations of the debtor(s) in this case and will cease to apply if this chapter 13 case is dismissed or converted to a case under chapter 7.

☑ If checked here, the attached plan does not determine any secured claim amount(s) under § 506.

#### 4. Avoidance of Liens Under 11 U.S.C. § 522(f)

#### ☐ Attachment B: Addendum to Section 4.7 of Plan

If checked above, the court finds that the plan and Attachment B were properly served on the creditor(s) whose lien(s) or security interest(s) were listed as being avoided, and that the identified lien(s) and security interest(s) shall be avoided to the extent requested. Notwithstanding any contrary proof of claim, the request to avoid lien(s) and security interest(s) set forth in Attachment B is granted. This order extinguishes the lien(s) or security interest(s) identified in Attachment B to the "extent of impairment" set forth in Attachment B. If the case is dismissed, the lien(s) or security interest(s) shall be reinstated by operation of law under 11 U.S.C. § 349(b)(1)(B). To the extent that the total amount of a creditor's allowed claim exceeds the secured amount stated in Attachment B, the difference will be treated as an unsecured claim. This avoidance concerns only the obligations of the debtor(s) in this bankruptcy case.

☑ If checked here, the attached plan does not include a request to avoid a lien under § 522(f).

#### 5. Release of Lien

A debtor who seeks release of a lien may request an order declaring lien satisfied under Bankruptcy Rule 5009(d) and LBR 5009-1. If the debtor wishes to record the order, the debtor is responsible for presenting the order in recordable form.

## Section 8: Liquidation Analysis

8.1 Liquidation. The value, as of the date the petition was filed, of property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate were liquidated on such date under chapter 7 of the Bankruptcy Code. Debtor estimates, in good faith, that liquidation would be as follows:

1. Real property Schedule A/B line 55	\$819,336.00	5. Exemptions Schedule C	\$322,619.34
2. Personal property Schedule A/B line 62	\$263,917.63	Secured claims (less unsecured portions, if any) Schedule D	\$743,651.45

12. Estimated distribution on nonpriority unsecured claims in liquidation Divide box 10 by box 11			0%
13. Estimated distribution on nonpriority unsecured claims <b>through this plan</b>			50%

## Section 9: Order of Distribution Payments by Trustee

- **9.1** As soon as practicable after plan confirmation, the trustee will make the monthly payments required in Sections 4 through 7 in the following order, paid pro rata within each level of distribution, with payments other than those listed to be made in the order determined by the trustee.
  - a. Trustee's statutory fee
  - b. Any maintenance payments due on Class 1 claims if so provided in § 4.3
  - c. The debtor's attorney fees allowed under applicable rules and guidelines
  - d. Claims in Class 1 7, claims under executory contracts and unexpired leases if designated as Class 1 claims, and compensation for a chapter 7 trustee under 11 U.S.C. § 1326(b)(3)
  - e. Class 8 priority unsecured claims and administrative expenses
  - f. Class 9 special nonpriority unsecured claims
  - g. Class 10 nonpriority unsecured claims

## Section 10: Vesting of Property of the Estate

**10.1** Upon entry of an order confirming this plan, property of the estate vests in the debtor, EXCEPT any claims against third parties and undisclosed assets. If the case is converted to a case under another chapter, or is dismissed, the property of the estate shall vest in accordance with applicable law.

## **Section 11: Miscellaneous Provisions**

- **Debtor's duties.** The debtor acknowledges that the debtor must: (a) make timely plan payments and carry out this plan; (b) comply with the debtor's obligations under the Bankruptcy Code and Rules, the Local Bankruptcy Rules, and any applicable local orders and quidelines; (c) file all postpetition federal, state, and local tax returns, and pay all postpetition taxes as they come due, including, if applicable, any requisite estimated income taxes and/or federal tax deposits for payroll taxes; (d) file amended schedules to disclose any property acquired postpetition, including any inheritance, property settlement, claims against third parties, or insurance proceeds, that becomes estate property under 11 U.S.C. § 1306(a)(1); (e) file, if requested, updated schedules I and J or other statement made under penalty of perjury showing monthly income of the debtor, and how income, expenditures, and monthly income are calculated, on each anniversary of plan confirmation; (f) provide any financial information requested by the trustee, including that regarding a business; (g) maintain insurance as required by any law, contract, or security agreement on all vehicles and real or personal property subject to a security interest in the amount of the outstanding claim of the creditor or value of the collateral, whichever is less, unless the court orders otherwise; (h) if the debtor operates a business, maintain liability and other insurance as requested by the trustee; (i) pay timely to the court-ordered recipient all domestic support obligations that come due after commencement of the case; (j) obtain court approval before encumbering, selling, or otherwise disposing of any personal or real property other than in the ordinary course of the debtor's business; and (k) obtain written approval from the trustee or court approval before incurring any new debt, or modifying any existing debt, exceeding \$2,500. The debtor understands that failure to comply with any of these obligations may justify dismissal of this case, conversion to another chapter, or other relief.
- 11.2 Tax returns and tax refunds submitted to trustee. Failure timely to submit federal, state, and local income tax returns and refunds as required by § 2.3 may result in dismissal of the case.
- 11.3 Interest rate. The standard interest rate on certain claims is calculated periodically as the national prime rate of interest plus 1.5% and is posted at the court's website. The interest rate with respect to a tax claim or an administrative expense tax is governed by 11 U.S.C. § 511.
- 11.4 Cure payments for prepetition arrearages. For all purposes, including but not limited to 12 U.S.C. § 2601 et seq., and Reg. X ("Regulation X"), 24 C.F.R. § 3500.17(i)(2), all claims shall be deemed reinstated and current upon the entry of an order confirming this plan. No creditor shall be excused from any obligation imposed by law or contract to provide notices of payment changes, interest rate changes, escrow account statements, other account statements, or similar information to the debtor. All creditors shall promptly file copies of such notices and statements with the court.
- 11.5 Postpetition obligations paid directly by debtor. If this plan provides for the debtor to pay directly any postpetition obligations to a creditor, any postpetition fees, expenses, or charges, including those alleged to be due under Bankruptcy Rule 3002.1(a), (c), or (e), are the personal responsibility of the debtor and, unless the court orders otherwise, these postpetition fees, expenses, or charges shall not be paid by the trustee or through the plan.
- 11.6 Limited stay relief. Notwithstanding 11 U.S.C. §§ 362 and 1301, any secured creditor may transmit to the debtor and codebtor payment coupon books and other statements, notices of payment changes or interest rate changes, escrow account statements, and other statements concerning postpetition obligations, if such documents conform to bankruptcy-specific forms required by a federal statute, regulation, or rule, or contain a conspicuous disclaimer that they are being provided for informational purposes only and are not a demand for payment.
- 11.7 Lack of feasibility based on claims actually filed. The trustee may file a motion to dismiss if the trustee determines that, based on the timely filed proofs of claim, the plan funding will be insufficient to pay in full, within 60 months from confirmation, administrative expenses, the prepetition arrearages on Class 1 claims, and the full amount of claims in Class 2, 3, 4, 8 and 9 claims, and the amount of Class 10 claims required to satisfy 11 U.S.C. § 1325(a)(4). The court may dismiss the case without further notice if the debtor fails to file, within 30 days after the date of notice of such motion, an objection to claim or a motion to modify the confirmed plan which will cure the problem.
- **11.8** Conversion or dismissal. The debtor agrees that, if this case is converted to another chapter, the debtor shall promptly file a new schedule C -- Property Claimed as Exempt.
- 11.9 Student loan debt. A debt of the kind specified in 11 U.S.C. § 523(a)(8) will not be discharged upon completion of the plan unless the debtor has obtained a determination by the court that paying the debt in full would impose an undue hardship on the debtor and the debtor's dependent.
